

Kellstrom Defense to Distribute Engine System and Support Products for UTC Aerospace Systems

Miramar, FL, April 5, 2015 - Kellstrom Defense, a Merex Group company, announces it will be a new spare part distribution provider for UTC Aerospace Systems, serving the global military and government aftermarket for the Delavan product line.

Kellstrom Defense has signed an exclusive agreement with Delavan to stock, distribute and manage spare components for the important foreign, domestic and government agency aftermarket customers. The agreement covers the Delavan Fuel Nozzle and Spray bar product line used on military engines including the T56, T700, F404, F110, and T700.

About Kellstrom Defense:

Kellstrom Defense Aerospace, Inc. ("Kellstrom Defense") is a leading provider of aftermarket logistics support for military and defense platforms around the world, including but not limited to C-130, F-16, F-5/T-38, P-3, Boeing 707 defense derivative aircraft, and multiple rotary-wing platforms. Kellstrom Defense specializes in complete Supply Chain Management ("SCM") services through establishing strategic alliances and partnerships with the defense aviation industry's leading manufactures and repair centers, providing a suite of solutions for operators, depots, and aircraft MRO centers worldwide sustaining legacy military platforms.
