

KELLSTROM REPAIR SERVICES APPROVED AS AMETEK AUTHORIZED REPAIR CENTER

MIRAMAR, FL, June 16, 2015 – Kellstrom Repair Services, Inc. (“KRS”), a Merex Group company, and a wholly owned subsidiary of Kellstrom Defense Aerospace, Inc. (“Kellstrom Defense”), is pleased to announce that it has been approved by AMETEK Aerospace and Defense (“AMETEK”) to become an AMETEK Authorized Repair Center. As the newest AMETEK Authorized Repair Center, the signing of the AMETEK Authorized Repair Center Agreement authorizes KRS to service and perform repairs on fuel flowmeters, transmitters, and other AMETEK Aerospace Sensor products for KC-10, KC-135, C-130, F-16, and T-38 aircraft.

Becoming an AMETEK Authorized Repair Center represents another significant accomplishment for the Merex Group, Kellstrom Defense, and KRS as they continue to provide total support and sustainment solutions for legacy military aircraft and rotary wing platforms worldwide. Kellstrom Defense already has an existing Distribution Agreement with AMETEK Aerospace and Defense Division, Sensors, and Fluid Management Systems (“SFMS”), and the signing of this new agreement reflects a continuation and expansion of the strategic business relationship between AMETEK and Merex Group companies.

Merex Group Maintenance, Repair & Overhaul (“MRO”) Solutions President, Jonathan Silva stated, “We appreciate that AMETEK continues to recognize the unique value proposition that Kellstrom Repair Services and Kellstrom Defense offers for legacy aircraft Original Equipment Manufacturers (“OEMs”). This continued partnership showcases the unique capabilities of the Merex Group MRO Division. We look forward to expanding our longstanding relationship with AMETEK across all Merex Group companies and are committed to delivering value to our customers by offering innovative MRO solutions for legacy military aircraft and rotor wing platforms worldwide”.

“AMETEK is pleased to partner with Kellstrom Repair Services,” stated Andy Brandenburg, Vice President for AMETEK Aerospace and Defense, “Kellstrom Repair Services is considered an industry leader in defense-related aerospace aftermarket MRO solutions. Collectively, Kellstrom Repair Services and Kellstrom Defense provide AMETEK with a worldwide network of sales professionals, distribution channels, and MRO capabilities that further enhances our global reach.”

About Kellstrom Repair Services:

Kellstrom Repair Services, Inc. (“KRS”), a Merex Group company and wholly owned subsidiary of Kellstrom Defense Aerospace, Inc. (“Kellstrom Defense”), specializes in providing Maintenance, Repair & Overhaul (“MRO”) and sustainment solutions for legacy military aircraft and rotor wing platforms worldwide. KRS - Livermore, CA (formerly ALCO Services, Inc.) is a

Honeywell Authorized Repair Station specializing in the repair and overhaul of GTCP36, GTC85, GTCP85 & GTCP95 Series Auxiliary Power Units, Engine Driven Compressors, and a full range of mechanical, electro-mechanical, instrument, pneumatic and fuel system components. KRS - Miramar, FL (formerly High Tech Avionics & Accessories) specializes in the repair and overhaul of Accessory Class III components, Instrument Class I, II, III and IV avionics, and landing gear systems. KRS - Repair Management leverages KRS in-house repair capabilities and a network of FAA & EASA authorized facilities to provide value added MRO solutions for both OEMs and end user customer.
